**Subject:** Introduction

Hi Mike:

I understand that Damon and Tommy had a chat with you about my transitioning to project manager for the CFAC oversight work assignment, so I would like to introduce myself. I have been working at CDM Smith since 1999, primarily supporting EPA on the Anaconda Smelter project, mostly on RD/RA oversight and consent decree negotiation support. I am looking forward to work with you, Damon, and our team on CFAC, and will be happy to answer (or get answers) on the work plan that we submitted to you yesterday.

Damon mentioned that you will be in Helena on March 2 and 3. Presently those two days are wide open in my schedule. If you have any free time during those two days, I sure would like to meet you, either at our office or at EPA's. Please let me know what works. And, feel free to call or contact me anytime (contact info below).

Thanks,

**Gunnar Emilsson, P.G., P.E., BCEE**
